INTRODUCTION:

Privilège has been hand-building bluewater catamarans in Les Sables-d’Olonne, France since 1985, founded by offshore legend Philippe Jeantot—creator of the Vendée Globe. Over four decades the yard became synonymous with craftsmanship, safety and luxurious liveboard comfort, earning awards and a loyal following among serious passagemakers.

The Signature 580 is the modern expression of that legacy. Conceived by Marc Lombard Yacht Design Group with interiors by Franck Darnet, the 580 debuted as a clean-sheet design to elevate long-range cruising under 60 feet. Options such as a forward lounge accessed from the salon, refined weight distribution, and a structure optimized for motion comfort set the 580 apart.

Fun Pass—Hull #01 of the 2025 Privilège Signature 580—is more than a yacht; it’s an invitation to travel further in greater comfort. Wide side-decks, wraparound glazing and an open salon bring the sea inside, while five queen staterooms (plus crew) and robust offshore systems deliver the confidence to point her bows at the horizon from day one.

ACCOMMODATIONS & LAYOUT:

Fun Pass offers a five-cabin layout with ensuite heads for each stateroom, plus a private crew cabin. Every living space has been carefully designed to balance comfort, privacy, and functionality, ensuring guests can enjoy extended cruising in style.

MAIN SALON (SALOON)

- Panoramic windows
- Lounge & dining
- Galley-up flow
- Entertainment suite
- Starlink + Wi-Fi
- C-Zone control
- Dimmable LEDs
- Hidden storage
- Forward lounge access
- Aft cockpit access

2025 Privilege 580 – Fun Pass

- Diamond-seal windows

GALLEY:

The galley-up layout makes *Fun Pass* a social centerpiece, seamlessly connected to the saloon and cockpit. Flooded with light from large windows and designed for both gourmet cooking and entertaining, it is a chef's dream at sea. Every appliance and detail has been carefully selected for convenience, performance, and elegance.

- Miele Speed Oven (oven + microwave)
- Fisher & Paykel DishDrawer dishwasher
- Frigonautica refrigerators and freezer units
- Dometic climate-controlled wine storage
- Magma Monterey II stainless steel gas grill

NAVIGATION AND HELM:

Commanding *Fun Pass* from her helm stations is an experience of precision and confidence. Panoramic views, intuitive controls, and advanced electronics make passagemaking both effortless and secure. Whether single-handing or with crew, the helm blends technology and ergonomics for ultimate control.

- B&G navigation instrumentation suite
- C-Zone digital electrical management
- Hydraulic steering for precision handling
- StarLink satellite internet for connectivity
- Garmin Fusion entertainment integration
- Multiple helm stations with ergonomic layout

Master Stateroom (Port Forward)

The owner's suite is an expansive retreat forward in the port hull. Large panoramic windows flood the space with natural light, while a queen island berth provides comfort at anchor or underway. Abundant cabinetry and hanging lockers ensure generous storage, and the ensuite head offers a private spa-like experience.

- Queen island berth with panoramic views
- Dedicated storage and hanging lockers
- Private ensuite head with separate shower
- Premium finishes and climate control

2025 Privilege 580 – Fun Pass

ENSUITE MASTER HEAD:

Directly accessible from the owner's suite, the master head feels like a private spa. A separate shower area and elegant vanity deliver a residential experience while at sea.

- Private ensuite with separate shower compartment
- Solid-surface vanity with storage
- Techma Quiet-flush marine toilet
- LED lighting and mirrored medicine cabinet
- Ventilation via opening port/overhead hatch

Guest Stateroom (Port Aft)

Located aft in the port hull, this guest suite features a comfortable queen berth, private ensuite head, and generous storage. Natural light and ventilation make it a bright and welcoming cabin.

- Spacious queen berth
- Ample storage and cabinetry
- Private ensuite head
- Natural light and ventilation

Guest Head (Port Aft)

Serving the port aft guest suite, this head combines practicality with refined finishes, offering a bright, well-ventilated space.

- Ensuite access from stateroom
- Shower area with screen
- Marine toilet with freshwater flush
- Storage cabinetry for toiletries
- LED task lighting and ventilation

Guest Stateroom (Starboard Forward)

Forward in the starboard hull, this cabin features a queen berth, hanging locker, and private ensuite head. Windows and overhead hatches enhance the sense of space and connection to the sea.

- Comfortable queen berth
- Hanging locker and storage
- Ensuite head
- Bright cabin with large windows

2025 Privilege 580 – Fun Pass

Guest Head (Starboard Forward)

A clean, contemporary space with all essentials close at hand, designed for effortless daily use while cruising.

- Ensuite access from stateroom
- Shower zone with easy-clean surfaces
- Freshwater marine toilet
- Under-sink storage and shelving
- Opening port for airflow

Guest Head (Port Aft)

Serving the port aft guest suite, this head combines practicality with refined finishes, offering a bright, well-ventilated space.

- Ensuite access from stateroom
- Shower area with screen
- Marine toilet with freshwater flush
- Storage cabinetry for toiletries
- LED task lighting and ventilation

Guest Stateroom (Starboard Aft)

This aft cabin in the starboard hull is designed for guest comfort, with a queen berth, abundant natural light, and ensuite head. It is an inviting retreat for family or friends on extended passages.

- Generous cabin with queen berth
- Private ensuite head
- Abundant natural light
- Designed for guest comfort

Crew Quarters (Starboard Forward)

Positioned forward in the starboard hull, the crew cabin is private and functional. With its own head, this space ensures crew members have independence and comfort during voyages.

- Private crew accommodation with single berth
- Separate head for crew use
- Compact and functional layout
- Ensures crew privacy and independence

2025 Privilege 580 – Fun Pass

Crew Head (Starboard Forward)

Functional and durable, the crew head offers everything needed for comfort on passage without sacrificing storage or access.

- Dedicated head for crew cabin
- Compact shower area
- Marine toilet
- Practical storage and non-skid flooring
- Easy-clean finishes

Working Areas & Machinery

The engineering heart of ***Fun Pass*** has been designed with bluewater reliability in mind. Her machinery spaces are accessible, meticulously organized, and equipped with premium systems that ensure smooth operation on long passages. From power generation to watermaking, ***Fun Pass*** is self-sufficient and ready for ocean crossings.

- Twin Yanmar 110HP engines (~15 hrs each)
- Cummins Onan 19kW generator (~10 hrs)
- Dessalator 52 GPH watermaker
- FloScan fuel flow meter & polishing system
- Dual Racor 500 engine filters + generator filter
- Hydraulic swim platform with dinghy chocks
- Soundproofed engine room for quiet operation

EXTERIOR & DECK

Cockpit & Transom

The aft cockpit is where relaxation and social life converge. Protected yet open to the sea, it offers dining, lounging, and direct access to the hydraulic swim platform. It is a true extension of the saloon, inviting guests to transition seamlessly between indoor luxury and outdoor living.

- Spacious cockpit with seating and dining table
- Hydraulic swim platform for tender handling
- Curved transom seating for guests

2025 Privilege 580 – Fun Pass

Flybridge & Upper Deck

The flybridge is a statement feature of *Fun Pass*, offering commanding views and a social atmosphere. Here, the captain and guests share the thrill of sailing and the serenity of sunsets, all while enjoying unmatched visibility and comfort. It is both a command center and a private sky lounge.

- Panoramic views from elevated helm
- Dedicated seating and lounging space
- Excellent visibility of sails and sea
- Integrated navigation and communication systems

Foredeck

At the bow, the expansive foredeck and forward lounge create yet another gathering space. Accessible directly from the saloon and owner's suite, this area is equally suited for quiet morning coffees or evening cocktails under the stars. It transforms the forward section of the yacht into a private retreat, rare among bluewater catamarans.

- Forward lounge with access from saloon and master suite
- Stainless steel Ultra anchor with 246' chain
- Secondary Delta anchor with chain and rode
- Dual windlasses for anchoring flexibility

Sail Rigging

Fun Pass has been rigged for serious sailors who also value ease of handling. Her sail plan balances power with simplicity, ensuring strong performance on passages while remaining manageable by a shorthanded crew. Electric winches, Dyneema rigging, and modern furling systems make setting sail a pleasure rather than a chore.

- Fully battened mainsail with stack pack
- Self-tacking jib
- Furling genoa
- Code 0 sail on bowsprit
- Dyneema halyards and sheets
- Electric halyard winch

2025 Privilege 580 – Fun Pass

Safety

Offshore confidence begins with safety, and **Fun Pass** has been equipped to the highest standard. From her fire suppression and EPIRB to carbon monoxide detectors and multiple bilge pumps, every measure has been taken to safeguard guests and crew. This yacht provides peace of mind no matter where in the world she sails.

- EPIRB for emergency positioning
- Fireboy fixed fire suppression system
- USCG standard safety equipment
- Carbon monoxide detectors
- Life raft
- Highwater alarms
- Emergency tiller
- Multiple bilge pumps

SUMMARY:

If you're searching for a turnkey, pedigree catamaran that marries ocean-going capability with genuine luxury, **Fun Pass** stands in rare company. She blends the Signature 580's modern naval architecture with handcrafted French interiors, delivering quiet confidence offshore and a calming, contemporary aesthetic at anchor.

From the queen-berth staterooms to the forward lounge and flybridge vantage point, every space invites memorable moments with family and friends. Her lithium power, solar, watermaker, and premium systems make independent cruising simple—and her shaft-drive Yanmars and Onan generator speak to long-term reliability.

Opportunities like this don't come often: a brand-new, fully outfitted Privilege Signature 580 with the right equipment, the right pedigree, and the right story. Step aboard Fun Pass and start writing yours.
